About Me: I graduated from Francis Schaeffer Study Center in 2009 and went on to complete a Bachelor of Science in Education and a minor in Spanish at Austin Peay State University. During my senior year at APSU I became the Structured Learning Assistant for elementary spanish courses, where I gave whole class instruction and tutored students individually. In addition to mission work in Mexico, I have complete two residential programs in Madrid, Spain. Spanish and teaching are my two greatest passions in life, so I am thrilled to be offering this class.
